

Meeting Goals and Objectives - continued

- **Identify causes of ankle instability and how to minimize pain.**
- **Distinguish between modifiers** during global period and evaluation and management. Understand when 78 modifier must be performed.
- **Learn metrics of team leader performance** to optimize patient outcomes.
- **Understand categories of MIPS for 2018;** plan quality measures to perform.
- **Understand proper documentation** of complications and effective patient communication

CONTINUING MEDICAL EDUCATION

Colorado Podiatric Medical Association is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. Colorado Podiatric Medical Association has approved this activity for a maximum of 16 continuing education contact hours (which includes attending Residents Grand Rounds).

Intended Audience: Doctors of Podiatric Medicine including residents and fellows.

Financial Support: provided by exhibitors (list upon attendance.) No commercial interest has provided other financial support for this activity.

HOTEL INFORMATION

The Doubletree Hotel is at 7801 East Orchard Road, Greenwood Village, CO. The preferred room rate is \$99 plus tax for single or double. Driving directions are on our web site: www.colopma.org. Click on annual conference. The hotel is just off Interstate 25. Exit Orchard Road going west and the hotel is about one half mile on your right.

Please register by Friday, Sept, 14 to ensure the preferred rate. To make your reservation please call 303-779-6161 and **ask for the Colorado Foot & Ankle Society or the Colorado Podiatric Medical Association.**

COLORADO FOOT & ANKLE SOCIETY

Educational Conference

September 27-29, 2018

Doubletree Hotel
Greenwood Village, CO

Up to 16 CECH
(Continuing Education Contact Hours)
10% PICA Credit

THURSDAY, SEPTEMBER 27

6:00-8:00 pm Residents Grand Rounds

FRIDAY, SEPTEMBER 28

7:15-7:50 am **Registration. Breakfast with Exhibitors**

7:55 **Welcome: Dr. Adam Toren**, Program Chairman

8:00-8:30 **Louis DeCaro, DPM**
How to Biomechanically Evaluate and Treat Ages 1-4

8:30-9:00 **Brent Steadman, MD, PhD**
State of the Art Techniques and Concepts in Arterial Revascularization

9:00 -10:00 **Bradley Bakotic, DPM**
Interesting and Informative Podiatric Dermatology Cases 2017-18

10:00-10:30 **Break. Visit with exhibitors. Break snacks in Exhibit Hall**

10:30-11:00 **Alicia Yochum, RN, DC, DACBR, RMSK**
Ultrasound of the Foot and Ankle: A New Approach to Imaging

11:00-11:30 **Jo Donlon, Colorado Dept. of Regulatory Agencies**
Changes in Opioid Policy 2018

11:30-12:00 **Louis DeCaro, DPM**
How to Biomechanically Evaluate and Treat Ages 5-9

12:00-1:00 **Lunch. Indigo Room. Lower Level (Colorado Foot & Ankle members will remain in the Ballroom for a short meeting)**

1:00-2:00 **David Garras, MD**
Regenerative Medicine Techniques in Foot & Ankle Surgery

2:00-2:45 **Patrick DeHeer, DPM**
Plantar Fasciitis in the Athlete: An Evidence Based Approach to Treatment

2:45-3:30 **Louis DeCaro, DPM**
How to Biomechanically Evaluate and Treat Ages 10-14

3:30-3:45 **Break. Visit with Exhibitors. Break snacks in Exhibit Hall**

3:45-4:30 **Paul Stone, DPM**
Interphalangeal Joint Arthrodesis: Implant vs. K.Wire

4:30-5:30 **Patrick DeHeer, DPM**
Equinus Management for Improved Patient Outcomes

5:30 **Adjournment**

SATURDAY, SEPTEMBER 29

7:15-7:45 am **Registration/Sign In. Breakfast with Exhibitors**

7:45-8:30 **Jeffrey Lehrman, DPM**
Evaluation and Management Coding... No Guessing!

8:30-9:00 **Christopher Milkie, DPM**
How to Efficiently Market Your Practice in Today's Society

9:00-9:45 **Patrick DeHeer, DPM**
Proximal Triplanar Correction Hallux Abducto Valgus Surgical Concepts

9:45-10:15 **David Hardin, MD**
New Advances in Wound Care Products or Treatment Protocols

10:15-10:45 **Break. Visit Exhibitors. Break snacks in Exhibit Hall**

10:45-11:15 **William Adams II, DPM**
1st MPJ Pathology: MPJ Fusion vs. Alternative Surgical Options

11:15-11:45 **Jeffrey Lehrman, DPM**
Coding for 1st Ray Repair

11:45-12:15 **William Adams II, DPM**
Achilles Tendon Ruptures: Mid-Substance and Insertional

- 12:15-1:00 **Lunch. Indigo Room, Lower level**
- 1:00-1:30 **Christopher Milkie, DPM**
Common Pitfalls on the Pathway to Practice Success and How to Avoid Them
- 1:30-2:00 **William Adams II, DPM**
Ankle Instability and Pain
- 2:00-2:30 **Jeffrey Lehrman, DPM**
Modifiers: Procedures and Evaluation and Management
- 2:30-3:00 **Christopher Milkie, DPM**
How a High Performing Team Improves Patient Outcomes and Profitability
- 3:00-3:30 **Break. Visit Exhibitors. Break snacks in Break Hall**
- 3:30-4:30 **Jeffery Lehrman, DPM**
MIPS in 2018
- ✓ 4:30-5:30 **June Laird, JD**
Take Just One More Step ... Reducing Malpractice Risk (10% PICA discount)

FACULTY

Will Adams II, DPM, Board certified in foot surgery and reconstructive rearfoot and ankle surgery, Dr. Adams is in practice at the Orthopaedic Institute of Western Kentucky. He is also adjunct clinical faculty at Ohio College of Podiatric Medicine. He has presented lectures and been faculty at teaching labs throughout the country. He serves patients through the entire western Kentucky region, providing advanced foot and ankle surgical procedures.

Bradley Bakotic, DPM, DO, is a dermatopathologist and Founder of the Rhett Foundation for the Advancement of Podiatric Medical Education. He founded and served as CEO of Bako Integrated Physician Services for 9 years. Dr. Bakotic was educated as a podiatrist at Barry University and received a Doctorate of Osteopathy at the University of New England. He also completed a pathology residency at Tufts University in MA and at University of Miami. He went on to complete fellowships in oncologic surgical pathology at Memorial Sloan-Kettering Cancer Center and dermatopathology at Columbia University. He is adjunct faculty at Barry University, Rosalind-Franklin Scholl College, California School of Podiatric Medicine and New York College of Podiatric Medicine.

Louis DeCaro, DPM, private practice in West Hatfield, MA. Specializes in pediatrics with a special interest in sports medicine and biomechanics for adults and pediatrics. Dr. DeCaro is President and fellow of the American College of Foot & Ankle Pediatrics (ACFAP). He is a Board Certified Diplomate of the American Board of Multiple Specialties in Podiatry. He's the Director and originator of the Adult & Pediatric Gait Labs Biomechanics Clinic. Dr. DeCaro is an international lecturer on podopediatrics and biomechanics.

Patrick DeHeer, DPM, Private Practice, Franklin, IN, Principal IQ Medical, Founder, Foot Aid. He is the team podiatrist for the Indiana Pacers and Indiana Fever. A member of the Editorial Board of *Podiatry Today*. Dr. DeHeer is the inventor of the Equinus Brace. He's the President and Founder of Step-by-Step Haiti and Foot Aid and a medical missionary with over 25 trips worldwide. He is a Trustee on the APMA Board and is the Legislative Chair for APMA.

Jo Donlon, Colorado Department of Regulatory Agencies

David Garras, MD, is a board certified orthopedic surgeon who specializes in foot and ankle surgery with an emphasis on total ankle replacement, occupational and sports injuries, ligament and tendon repairs, deformity correction and reconstructive surgery. He has particular interest in Achilles ruptures, sports injuries and foot and ankle arthritis. He is in private practice with Midwest Orthopedic Consultants, Chicago, and is a faculty member at University of Illinois, Chicago. He has developed numerous innovative foot and ankle implants. He is dedicated to medical and surgical humanitarian causes and founded the orthopedic surgical mission in the Dominican Republic.

David Hardin, MD, FACFAS, Dr. Hardin is a general surgeon in Parker, CO. He is associated with Healogics, the nation's largest provider of advanced wound care services. Healogics doctors employ advanced wound healing techniques and work closely with community physicians to develop a comprehensive care plan for chronic wound patients.

June Baker Laird, JD, is an Associate at McElroy, Deutsch, Mulvaney & Carpenter, Greenwood Village, CO. She is well known as an attorney who is highly knowledgeable about Colorado and national podiatric issues and practice.

Jeffrey Lehrman, DPM, FASPS, MAPWCA, Diplomate, American Board of Foot and Ankle Surgery, Fellow, American Academy of Podiatric Practice Management. He's in private practice in the Philadelphia area and is Medical Director of the Crozer Wound Healing Center. He serves as advisor to the APMA Coding Committee and the APMA MACRA Task Force. He's a member of the board of directors of the American Professional Wound Care Assn. and the American Society of Podiatric Surgeons. He's adjunct clinical professor at Temple University.

Christopher, Milkie, DPM, author and practitioner, Dr. Milkie helps doctors create and sustain a successful practice. He considers himself a coach, training doctors and their teams to attain private practice success. He's authored three books and has made numerous presentations throughout the country. He is in private practice at Milwaukee Foot and Ankle Specialists.

Brent Steadman, MD, PhD, is a vascular interventional radiologist and a founding member of MIPS (Minimally Invasive Procedure Specialists), a private practice in Parker, CO. Prior to joining MIPS, Dr. Steadman spent 7 years at West Virginia University where he helped start a wound center and developed expertise in advanced tibial and endovascular interventions for critical limb ischemia and amputation particularly in diabetic patients. He is an author of numerous articles and abstracts and has presented numerous lectures.

Paul Stone, DPM, MBA, Director of Podiatry Residency Training at Presbyterian/St. Lukes Hospital, Denver, and clinical instructor, Dept. of Medicine, University of Colorado School of Medicine. He's published extensively in *AORN*, *APMA Journal*, *Podiatry Today* and *Journal of Foot and Ankle Surgery*, and has made numerous conference presentations. He is also in private practice in Castle Rock, CO and is a member of the Board of Directors of Colorado Foot & Ankle Society.

Alicia Yochum, RN, DC, DACBR, RMSK, Touchstone Imaging, Wheat Ridge, CO, is both a Doctor of Chiropractic and a Registered Nurse and a Diplomate of the American Chiropractic Board of Radiology (DACBR). At her practice she performs and interprets diagnostic musculoskeletal ultrasound for a variety of physicians in the metro area. She is President of the World Congress of Women Chiropractors and a reviewer for the *Journal of Chiropractic Medicine*. She is author or co-author of numerous articles in *The American Chiropractor*.

MEETING GOALS AND OBJECTIVES

- **Expose practitioners to diversity** of resident training and experience. **Expose residents to** questions, discussion of practitioners to resident presentations.
- **Understand most common foot and ankle pathologies** associated with podopediatrics and age specific protocols.
- **Identify current techniques in arterial revascularization.**
- **Recognize unusual podiatric dermatological conditions** and understand treatment options.
- **Review indications for utilization of musculoskeletal diagnostic ultrasound** of the foot and ankle for certain conditions such as Morton's neuroma.
- **Understand changes in Colorado opioid policy.**
- **Identify regenerative medicine techniques** in foot and ankle surgery.
- **Understand proper clinical examination, frequency and pathologies** for equinus deformity in the athlete.
- **Understand best techniques** for interphalangeal joint arthrodesis
- **Understand the role of conservative care** for equinus deformity and identify different posterior group surgical lengthenings
- **Understand ten systems that can be reviewed and the three key elements of evaluation and management coding**
- **Understand how marketing allows you to attract and retain patients**
- **Understand pathogenesis of hallux abducto valgus** and technique for minimal incision distal first metatarsal osteotomies.
- **Identify advances in wound care products and treatment protocols**
- **Understand options for 1st MPJ pathology:** fusion vs. alternative surgeries
- **Understand appropriate CPT codes** and definitions for 1st ray repair
- **Recognize different Achilles tendon ruptures** and options for treatment
- **Understand best time system to help you provide optimal patient care**
