

★ J4 MAC EFT

IMPORTANT – The February 15th EFT deadline for Colorado providers new to TrailBlazer is fast approaching. Agreements not received prior to cutover will cause providers to receive hard copy payments.

Note: Providers currently processing claims with TrailBlazer are not required to resubmit EFT agreements.

Letters explaining EFT requirements and due dates were mailed to all J4 MAC Part A and B providers who will be transitioning to TrailBlazer from Colorado , New Mexico and Oklahoma . Copies of the letters are linked on the J4 Web site <http://www.trailblazerhealth.com/j4/> under J4 Publications on the right side navigation.

Providers and suppliers who wish to continue to receive Medicare payments via EFT must complete a new Form CMS-588, Authorization Agreement for Electronic Funds Transfer, prior to cutover to TrailBlazer. This is required by CMS even if TrailBlazer's financial institution is the same as that of the outgoing carrier or intermediary.

Completion of a new Form CMS-588 should not be confused with the provider enrollment revalidation effort currently in process.

We cannot accept enrollment changes prior to cutover dates. Requests for enrollment changes will be returned to providers if they are received in our office. If you have not received an EFT letter, please download, print, sign and mail a copy from our Web site.

TrailBlazer will not be sending out confirmation letters of receipt, but you may e-mail us at J4MAC@trailblazerhealth.com if you have submitted your EFT information at least 14 days prior and we will confirm receipt. **Please include “Electronic Funds Transfer” in the subject line of the e-mail.**
